As I noted, I am reviewing these but you can have a flavor for the extent of the comments from Niva's note below and just peeking into the redline version of the first ABP. I hope to have these read and cleared by Wednesday.

Hi ECRMD IO -

Linked at the very bottom for your review are the 4 analytic blueprints for 1-BP, NMP, TCE, and PCE. These have completed workgroup review and the rule leads and economists have addressed the comments received. There are several notes to inform your review, plus a schedule. To stay on target, we are aiming for OPPT IO review to start Monday 12/27, so **your review is requested by Thursday 12/23 at the latest**. I've also created a planner card with these links.
